

CONNECT 2023 Digital Gift Bag

Terms & Conditions

1. General information

What is in the digital gift bag?

The digital gift bag consists of 4 different presents. These are the following:

- 12 months of license-free access to the Astro WMS® AI Workforce Prediction module. Value: €3600.
- 9 months of free access to Consafe Logistics Academy. Value: €235.
- 12 months of discounted fee for the Astro WMS® Dangerous Goods module. The value is between €5280 - €12,240, depending on the company's size.
- Gift card for a cup of coffee. Value €10.

Who can claim the gifts?

- Customers of Consafe Logistics who attended CONNECT 2023
- Prospects of Consafe Logistics, who attended CONNECT 2023 and acquire Astro WMS® by 20 April 2024

How many people from the same company can claim the gifts?

Gifts can be claimed once per customer. If a customer has had multiple attendees from different affiliates in the same group of companies, gifts can only be claimed by one customer within the same group.

Exception for the coffee gift card, which can be claimed by each attendee.

For how many sites are the gifts applicable for?

The Astro WMS® Dangerous Goods and AI Workforce Prediction gifts are for one site only. One site means one Astro WMS® application. The other gifts are not related to a site.

Deadline for claiming the gifts

Gifts can be claimed by 31 May 2023 via the digital gift bag form. The person claiming the gifts will get a confirmation email summarizing the gifts he/she has claimed and information on what is going to happen next.

2. Gift details and specifications

Consafe Logistics Academy

Scope: 9 months of free access to all training modules in Consafe Logistics Academy for one person.

The gift can be claimed by one CONNECT 2023 attendee per company. In the case of multiple claims from the same customer company or group of companies, Consafe Logistics reserves the right to decide who will get the gift. The gift can be claimed by 31 May 2023.

Claim process:

- Select the gift in the digital gift bag form.
- Leave the work email address of the person who should get the access.
- The person who will have free access will get an automated email with information about Consafe Logistics Academy.
- An account of the person receiving the free access will be set up in Consafe Logistics Academy.
- The person will receive an automated email with the login credentials for Consafe Logistics Academy. With that, the 9-month free access period starts.

One month before the free access period ends, you receive a notification about the disabling of free access.

Astro WMS® AI Workforce Prediction module

Scope: 12 months of license-free access to the Astro WMS® AI Workforce Prediction module in one site. One site means one Astro WMS® application.

The gift can be claimed by one CONNECT 2023 attendee per company. In the case of multiple claims from the same customer company or group of companies, Consafe Logistics reserves the right to decide who will get the gift.

Special requirements:

- To be able to use the gift, recipients must have the Astro WMS® 23R1 or a later release implemented on the site.
- In the case recipients do not have Astro WMS® 23R1 release implemented on the site at the time of the gift claim, they must place the order for the upgrade to Astro WMS® 23R1 or a later release together with their Consafe Logistics Account Manager by 31 December 2023, and the actual upgrade must be final by 31 December 2024.

Claim process:

- Select the gift in the digital gift bag form.
- Your contact details will be sent to the Consafe Logistics Account Manager of your company.
- The Account Manager will contact you to go through the requirements for this gift.
- If you already have the Astro WMS® 23R1 release, or you complete the upgrade to this or a later release before the end of 2024, the discount will be activated.
- After the upgrade, the Account Manager will monitor and ensure that the module is activated but not invoiced for 12 months.

One month before the license-free period ends, you receive a notification about the disabling of license-free access.

Astro WMS® Dangerous Goods module

Scope: 12 months of discounted fee for the Astro WMS® Dangerous Goods module in one site. One site means one application. The project implementation is done together with our integration partner, DGOOffice. The gift includes a free license from DGOOffice and Consafe Logistics for the module but excludes project implementation costs.

The gift can be claimed by one CONNECT 2023 attendee per company. In the case of multiple claims from the same company or group of companies, Consafe Logistics reserves the right to decide who will get the gift.

Special requirements:

- To be able to use the gift, recipients must have the Astro WMS® 20R1 or a later release implemented on the site.
- In the case recipients do not have the necessary software release implemented on the site at the time of the gift claim, they must place the order for the upgrade to Astro WMS® 23R1 or a later release together with their Consafe Logistics Account Manager by 31 December 2023, and the actual upgrade must be final by 31 December 2024.

Claim process:

- Select the gift in the digital gift bag form.
- Your contact details will be sent to DGOOffice as well as to the Consafe Logistics Account Manager responsible for your company.
- The Account Manager will contact you to verify that you are on the correct release and understand the requirements and pricing to get this module installed.
- Once you agree to the installation and pricing of this module, the Account Manager will pass on the information to DGOOffice to set up your account.
- DGOOffice will set up the customer account and not invoice their license fee for 12 months, starting from the date that the Account Manager has communicated.

One month before the free license period ends, you receive a notification about the disabling of free license.

Coffee gift card

Scope: Coffee gift card valid for one cup of coffee at a coffee franchise based on your country of residence. The gift can be claimed once by every CONNECT 2023 attendee.

Claim process:

- Select the gift in the digital gift bag form.
- Add the email address we should send the gift card to.
- Select the country where you want to pick up the coffee.
- Your contact details and the selected country will be reviewed.
- Based on the selected country, we will purchase a gift card from a widely available coffee franchise.
- We will send an email to the given email address with the gift card and information on how to use it.
